16th and 17th October 2025

Where?

Technische Universität Berlin
Straße des 17. Juni 135
10623 Berlin
Germany

Important Dates:

Registration deadline: **22nd August 2025**

Abstract deadline: **22nd September 2025**

Personal information for registration:

1. Name (*first and last name*):

2. University / Department:

3. Position:

☐ PhD candidate, year:

☐ Master student

☐ Postdoctoral researcher, year:

☐ Other:

4. E-mail address:

5. Dietary requirements or allergies (for lunch):

Give 5 – 10 keywords that describe your research topic:

Will you be attending on-site or online? ¹

☐ On-site

☐ Online

¹ To make the symposium more accessible for people, the symposium will offer a hybrid solution using Zoom. Participants are, however, encouraged to participate on site since several parts of the programme will not be possible to organize in a hybrid format (e.g. networking, lab tour, social activity, chairing a session).

During the young AGers symposium, would you like to chair a session? ²

(only possible if present on-site)

- ☐ Yes
☐ No
☐ Maybe, depending on:

Remarks and suggestions:

Abstract:

At the symposium, every participant will get the opportunity to present their work. For those who have just started a project, or those who have not yet gathered data to present, it is encouraged to submit an abstract on the planned project or project proposal. This will allow everyone to share their ideas and practice their presentation skills.

Abstract requirements: maximum 500 words excluding title, co-authors and affiliations. Avoid using abbreviations in the title and include the same key words as in this registration form. Please send your abstract in a separate word document no later than the 22nd of September 2025 to young-agers@outlook.com. You should receive a confirmation email as soon as possible, but no later than the 23rd of September.

Registration:

Please send your filled out registration form to young-agers@outlook.com before the 22nd of August 2025. You should receive a confirmation email as soon as possible, but no later than the 23rd of August.

² During the session in which fellow participants will present their work, other participants will chair the sessions. The chair(s) will be responsible for managing time and questions. At the end of each session, there will be time for a general discussion, which is also moderated by the chair(s). Depending on the amount of people interested in chairing, we will try to assign two chairs to each session. You will be notified at least one week before the symposium about which session you will moderate, with whom, and provided with other instructions.
